14th Scientific Meeting of the Swiss Society of Pediatric Cardiology

Bern University Hospital Inselspital / Bern

Dear colleagues

We are happy to invite you to our 14th Scientific Meeting of the Swiss Society of Pediatric Cardiology in Bern on November 11th 2022. The program highlights a range of new topics in the field of pediatric and congenital cardiology. We will present and discuss the possibilities to manage complex diseases, reviewing surgical treatments, percutaneous possibilities as well as medical therapies. In the afternoon, following the SSPC assembly, we will have parallel sessions, one dedicated to the presentation of some interesting clinical cases and the other focussing on nursing aspects.

We are looking forward to meeting you at the Inselspital, Bern University Hospital.

Birgit Donner

Martin Glöckler

Registration

Please register until October 30th 2022.

Fee

50 CHF member of the SSPC

25 CHF nurses, residents and junior members

Note that for nurses who are member of the Nursing Interest Group Congenital Heart Disease, the IG will cover the registration costs.

Online registration at:

You can also register and pay on-site.

Further information: www.herzgefaesszentrum.insel.ch

Credits

4 credit points will be awarded by the Swiss Society of Pediatrics for participation at the meeting.
